CONSTRUCTING OUR WORLD

NZIOB HOSTED
International Construction Conference
PULLMAN HOTEL AUCKLAND

The New Zealand Institute of Building (NZIOB) in collaboration with the Australian Institute of Building (AIB) and the Singapore Institute of Building Limited (SIBL) is hosting our inaugural collective International Construction Conference.

THE CONFERENCE WILL
BE ASKING THE QUESTION:

**WHAT DOES THE FUTURE
OF THE CONSTRUCTION
INDUSTRY LOOK LIKE?**

We will be showcasing speakers who are at the forefront of new construction innovations, technologies, disrupters, practices, and methods that are beginning to emerge in the construction world, yet are not widely adopted or known about in our region.

THINK:

The identification of the next wave of construction 'best practice' that is yet to lap onto our shores.
